## CHANGING THE COMPANY'S USAGE LIMIT

When ordering additional cards, consider whether the company's usage limit should also be raised.

New usage limit requested \_\_\_\_\_ € / month  I do not want to change the company's usage limit

The usage limit refers to the maximum purchase amount, specific to customer number, per calendar month. Your company's monthly usage limit is shown on your invoice.

Our credit control team will process the usage limit change requests. Raising the customer's usage limit always includes a credit check.
